

AKILES

CoilMac-EX Pro

[ELECTRIC COIL BINDING MACHINE]

All-In-One Electric Coil Punch,
Inserter & Crimper

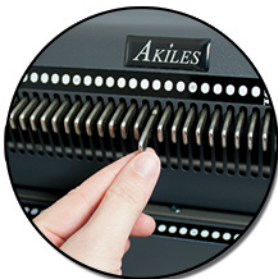

Now With
Built-In Electric
Coil Crimper!

Heavy Duty Punch Motor
All metal machine punches
up to 25 sheets of 20 lbs
paper.

Electric Full-Size Inserter
Large built-in roller for
faster and easier coil
insertion.

Fully Disengageable Pins
All 54 pins can be independently
pulled & disengaged, for a clean
& professional oval hole punch
of any paper size.

Electric Coil Crimper
The built-in foot pedal
operated crimper, lets
you cut and crimp coils
from 6 to 50mm.

AKILES CoilMac-EX Pro

With its heavy-duty punch motor, built-in electric coil inserter and electric crimper, the Akiles CoilMac-EX Pro makes coil binding fast, easy, convenient and professional.

Electric Coil Crimper
Adjustable coil crimper can cut and crimp coils from 6 to 50 mm.

Die Disengagement Pins
For a clean and complete punch on different paper sizes.

Depth Margin Control
Provides the correct punch margin depth for multiple book sizes.

Reverse Function
Manually reverse motor in case of jams. (Allen wrench needed)

Open Punching Throat & Continuous Punching Guide
For easy alignment & punching of oversized documents.

Electric Coil Inserter
On/Off switch and adjustable bottom roller gives you the flexibility to insert small and large coils.

Foot Pedal Operation
Allows the free use of both hands, granting the operator complete control of punching & crimping.
