

COUNT-WISE M

Sheet Counter & Batch Tabber

High Value Choice for High Volume Applications

The **Count-Wise M** incorporates a long list of standard features to give the best value in speed, accuracy, productivity and flexibility.

Speeds up to 2500 sheets per minute, and tabbing in batches from 3 to 9999, enable you to efficiently bring the benefits of accurate quantity management to the biggest jobs. Standard features such as two jogging plates, air-flotation table and base cabinet with locking storage compartment provide production flexibility, efficiency and value for your counting/batching operations.

Easy installation, minimal maintenance requirements and high-quality construction add to the cost-effective performance of the **Count-Wise M**.
