

- Color touchscreen control panel
- Drop-in feed system
- Six-digit resettable counter
- Processes up to 8,000 forms per hour
- Handles forms up to 14" long

Local Dealer:

The **FD 2006 AutoSeal®** offers speeds of up to 8,000 forms per hour and the ability to process forms up to 14" long. Standard features include a **color touchscreen control panel**, **insulated fold plates to reduce noise**, and a **drop-in top feed system**, all in a compact and sleek desktop design. **Fold plates are pre-marked** for standard folds for 11" and 14" form sizes, and can be easily adjusted for custom folds. Fold types include Z, C, Uneven Z and C, Half and custom folds. Pressure seal mailers can be used for virtually any application that can be printed on one form, including checks, invoices, school reports, tax forms and appointment notices. **Proudly made in the USA**, the FD 2006 is built with proven Formax technology, and the durability to last.

## Color touchscreen control panel Drop-in feed system Infeed holds up to 250 forms Easy to adjust fold plates Paper jog control to inspect fold
