200 Series Fixing Bracket

Product Code: 260-FIX

The A260-FIX mounting bracket is for use with the model 261 Ion Nozzle.

This universal mounting bracket not only simplifies installation but also allows accurate positioning and directional control for the air flow from the 261 Ion Nozzle.

Socket head cap screws are included to provide bracket adjustment and mounting.

Product shown in this document may be covered by one or more patents, patents applied for and/or registered designs and/or trade marks. For further information please refer to our Head Office or visit www.meech.com.
