

PRODUCT TECHNICAL DATA SHEET

SW955 Anti-Stat Static Eliminator

DESCRIPTION: This multi-purpose anti-static spray removes the electrostatic charges that attract dust particles and cause static electricity. Effectively eliminates static shock and static cling. Safe to use on a wide variety of inanimate objects.

USES: Use on rugs, carpets, drapes and cloth furniture to help prevent static electricity. Eliminates static electricity in and around computer and terminal areas. Use on metal rollers, feedboards and feed arms which come in contact with material being printed, folded or converted
